ROINS,

A Portrait is,
first of all,

a picture—

a picture to give a general impression.

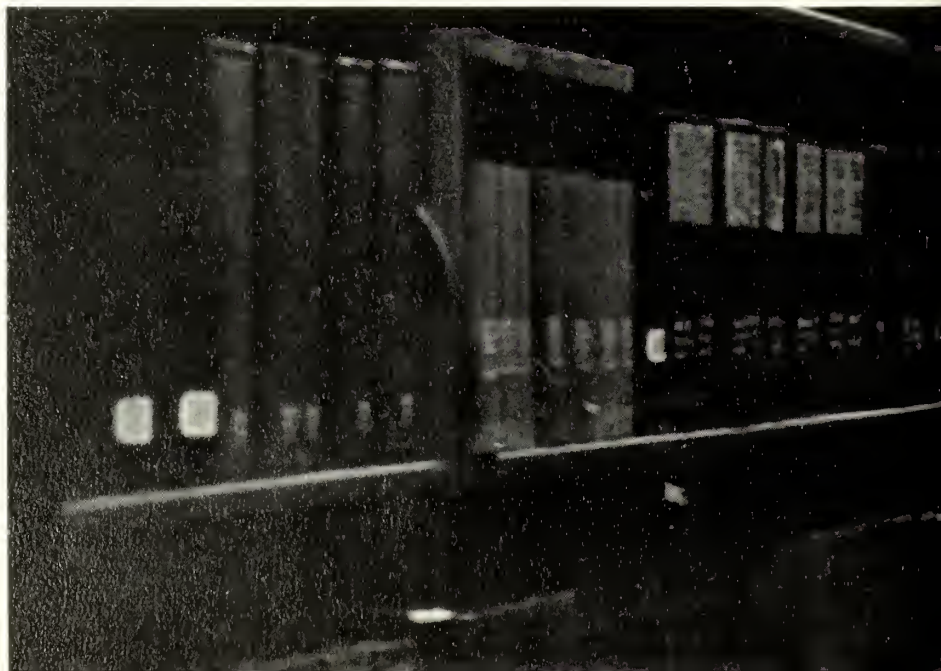

But more than this,

a picture must relate a story.

This is the portrait—
in pictures and words—
of one year at one school . . .

Dave Dugdale

A striving for the balance of

academic responsibility,

social life,

and personal adjustment.

Although the trees never donned

the air did chill,

Student Government

The Student Government is the voice of the Rollins student body. Dealing with a wide range of social, academic, and administrative problems, it represents vital concerns of the campus.

Officers are elected annually by the student body, and membership is composed of class presidents and one representative from each social group.

Entering its period of introspection and evaluation, the Student Government this year found itself in the position of examining its purpose and goals in attempt to discover to what extent it was fulfilling these aims and what changes ought to be made. Results ranged from increased membership to include class representatives to long range goals aimed at improving school life.

Editor's Note

And here it is. "A Portrait of Rollins"—a portrait of you, really, for Rollins is you and what you chose to make it. Each year it's a little different and each year a little improved. To aid Rollins is its period of introspection and readjustment, I've tried to paint a true picture of the school—here in your yearbook—and simultaneously to produce a record of 1963 as we the students lived it. But, the portrait was not painted for you now; it was done for you, the businessman, and you, the housewife, so that 10, 20, or 40, years from now you can pause—and look back—and "remember when."

But, for a portrait one needs more than a painter and subject—one needs tools and inspiration. For the tools I wish to acknowledge the necessary and unselfish help of my staff. For inspiration, I am grateful to all those who offered their advice and ideas. And there are those who fit into both categories as tools with which to work and sources of inspiration—Lyman, our wonderful photographer, and Mr. Bob Cook, the "man from the company."

I present to each of them—and to you—in appreciation, and to fulfill my indebtedness, this, the 1963 TOMOKAN. I hope it fulfills its purpose. I've enjoyed it.

Staff

The heart of the TOMOKAN staff includes: *Left to right:* Connie Kelley, Char Smith, Roger Hammond, Cary Howard, Ron Culbreth, Patso Blackburn, Wendy Draper, Grant Jennison.

Sandspur Staff

'Unassuming, yet mighty, sharp and pointed, well-rounded, yet many sided, assiduously tenacious, yet as gritty and energetic as its name implies, victorious in single combat, and therefore without a peer, wonderfully attractive and extensive in circulation; all these will be found upon investigation to be among the extraordinary qualities of the *Sandspur*.'

The New Sandspur

After fumbling through the fall term with an inadequate staff and with lack of student interest, the *Sandspur* reached its inevitable collapse in January. The Publications Union immediately took action and assumed the responsibilities of putting out the paper. After missing only one issue the 'Spur was back in print, and the Union had plans for extensive reorganization of the paper.

A general appeal to the student body and the Student Legislature brought unexpected response and interest. Two weeks later—completely new from editor to proofreaders the *Sandspur* was back again.

Although lacking experience, the staff has made great advances toward re-establishing the paper as a vital organ of the college and voice for the students.

Now it appears as though the high goals and aims of the founders might once again be reached as the *Sandspur* strives for maturity.

A portrait of the ART in preparation for a production.

Depicted here is the action behind the stage—that mysterious part of the theater which allows it to turn words and actions into color and life.

On the Town

"New York, New York—a wonderful town!" The Rollins Players opened their season with Leonard Bernstein's musical which tells of three sailors on a one day leave in "The City." Peter Kellogg, Fred Chappell, and Ralph Green tour the big city and meet three female companions —Nancy Collins, Candy Diener, and Dana Ivey.

John Ezell's colorful sets and costumes brought to the ART stage an interesting interpretation of New York and all the excitement of the city during the '40's. Dr. Arthur Wagner directed this large production, with Mr. Robert Hufstader as the musical director.

All the

Directed by Eugene Miller, this moving drama depicts the effect of a father's death upon his family. One of the most effective moments of the play was the visit to "Great-Grandma's" by the Follet family. Pat Earle and Margie Stevens are shown here in some of their excellent character work.

Mary and Jay Follett and their son Rufus (Dana Ivey, Crick Hatch, and Stephan Wheeler) present a picture of a happy and secure family—until death changes their entire situation.

Way Home

Through her brother (Brooks McCormick), Mary learns of Jay's death and finds strength and guidance in Aunt Hannah (Sherri Bickley).

Others in the cast included Bob Ittman, Jim Reagan, Linda Peterson, Lauren Keifer, Zoe Cleveland, Ron Culbreth, and Pete McNeil.

Caesar and Cleopatra

Lavish sets and costumes graced the ART stage as the curtain went up on the third production of the year, George Bernard Shaw's *Caesar and Cleopatra*. Direction was by Dr. Wagner and staging by Mr. Ezell.

Professor Eugene Miller (Caesar) donned laurel wreath and toga to mold Candy Deiner (Cleopatra) into an Egyptian queen.

The X-Clubbers (Roman army) invade Egypt and set up a camp of occupation.

Peter Kellogg (Appolodorus) smiles smugly as Caesar begins to conquer . . .

But Sally Off (Ftatateeta) is rather displeased with the whole situation.

Caesar departs for Rome leaving his faithful friend and soldier Ruffio (Jim Reagan) the governorship of his newly acquired territory, and leaving Cleopatra to anxiously await the arrival of Mark Anthony.

The Panhellenic and Inter-fraternity councils function as guideposts for Rollins' social groups. Representatives from each fraternity and sorority compose the membership of the two councils with Dean Watson and Dean Vermilye serving as advisors. Working together for college improvement, the members of these two groups govern men's and women's rush activities, and attempt to raise the social and scholastic standards of the college social groups.

Soccer

The Tars completed the sixty-two season with a record of five wins, two ties, and two losses.

Capturing second place in the Florida Intercollegiate Conference for the second consecutive year, the Tars were led by Tom Sawyer, Ed Flory, Enrique Huber, Wally Hubbard, and Rick Mello.

Coach Wraschek is to be commended for this good record and for the eager participation of his players, who are looking forward in hopes of gaining the number one position next year.

Tennis

The Rollins' Tennis squad was fortunate in having five lettermen return this year. Robert Balink, Ralph Grieco, Duane Ackerman, John Lawrence, Bill Law, and Tom Doolittle will round out the team. With such a group of international players and Coach Norm Copeland, the season promises to be interesting and fruitful.

The 1963 Rollins tennis team is one of the largest intercollegiate tennis groups in the nation.

Golf

The golf team has six returning lettermen from last year's championship F.I.C. squad.

Mickey Van Gerbig heads the team by boasting the best won-and-lost record of the returning lettermen and this year he looks forward to an even better record.

Bob Kirouvac, junior, has finished 6th in the Miami Invitation for the past two years. Also returning is Bob Reagan who was named low amateur in the 1960 Vermont open tournament.

Bill Cigich is one of Maryland's outstanding junior golfers. As he did last year, Bill will provide depth and experience to the golf team.

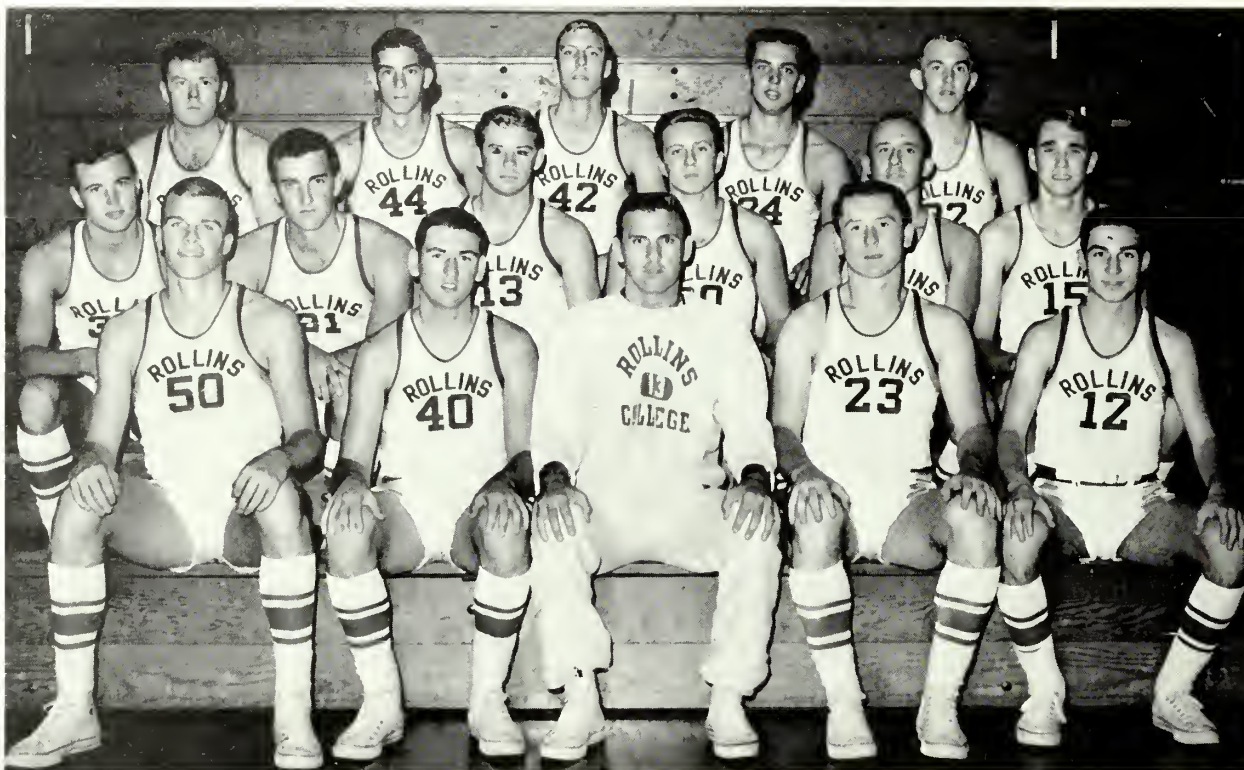

Todd Read won the Maine State Junior in 1962 and was runner up to the Maine School-boy in both 1959 and 1960. He will be a tremendous asset to the team.

Rounding out the team is Jerry Doser who has for the last two years played a large part in helping Rollins win two F.I.C. Championships.

Rollins' golfers are: *Kneeling:* Todd Reed, Roger Sledd, Bill Cigich, Bob Reagan, Bob Kirouac, Sclater Brown. *Standing:* Gerry Doser, Steve Probst, Richard Haase, Gene McCauliff, Steve Strauchen, Jeff Kline.

Tar basketball squad members are: Left to right: Row one: Jeff Heitz, Don Grimes, Coach Boyd Coffie, Rick Keller, Jerry Esposito. Row two: Rich Welson, Dave Court, Leon Hollon, Ken Salmon, Alan Burris, Frank Green. Row three: Dennis Casey, Phil Hurt, Butch Hearn, Steve Fehmerling, Jerry Brown.

Basketball

With the conclusion of the Mercer game, the Tars ended another season of basketball. For the year 1962-1963, the records were not impressive. However, the boys must be given credit with the odds and the handicaps they faced.

The Tars lose three seniors from their ball-club this year—Leon Hollon, Ken Salmon, and Dennis Casey. All three were starters and will be missed in the coming season. Phil Hurt and Butch Hearn were the top two men in the scoring department. Hurt led the Rollins five with a 13.2 average, while Hearn carried an 11.9.

To hi-lite this year's action the Tars ended a 35 game draught when the Rollins scorers soundly defeated Georgia State, 88-66.

Ray D. Coffey

Team members are: Row one: Ken Starcher, Don Grimes, Jerry Joondeph, Ed Flory, Terry Williams, Stu Lathrop, George Blasius, Al Burris, Bob Detling, Bill McCulloch, Bob Legler, Harris Schenker. Baseball

Coaches Boyd Coffie and Joe Justice.

A promising season is expected from the Tars this year. The returning players are Ken Salmon, leading pitcher; George Blasius, Jerry Joondeph, and Terry Williams to complete the pitching attack; and in the outfield Mickey Clark, Allen Burris, and Bob Detling. In the infield Jim Emerson, Jerry Brown, Bob Ennis, and Ed Flory will take over. With the great apparent strength of the 1963 Tars, Coach Justice is looking forward to a winning season.

Crew

For the 1963 season the Rollins Crew again brought honor to the school. Not only was the year extremely successful in the win-loss record, but the course records were broken twice during the season.

Both the junior Varsity and Varsity crews were eagerly awaiting participation in the Florida State Championship and the Dad Vail Regatta in Philadelphia, and to top the year's accomplishments the team has been invited to attend the Henley races in England this summer.

Junior Varsity

Intramural Sports

Intramural competition enables members of fraternities, sororities, independent organizations, and the faculty to participate in athletic events on a friendly basis as part of the Rollins family.

In the men's intramural division the Sigma Nus defeated the Delts to win the Flag football trophy. In basketball the X-Club emerged the number one team, and the Delta Chi fraternity capped the soccer title. The Independents proved themselves the most competent on the tennis courts while the Delts proved to be the best bowlers. Men's intramurals concluded in the spring with events in track, softball, volleyball, swimming, horseshoes, and pingpong.

In the women's division, Kappa Alpha Theta retained their basketball trophy, but bent to the Kappa Kappa Gammas in softball competition. Women's intramurals concluded with volleyball, golf, tennis, archery, and swimming.

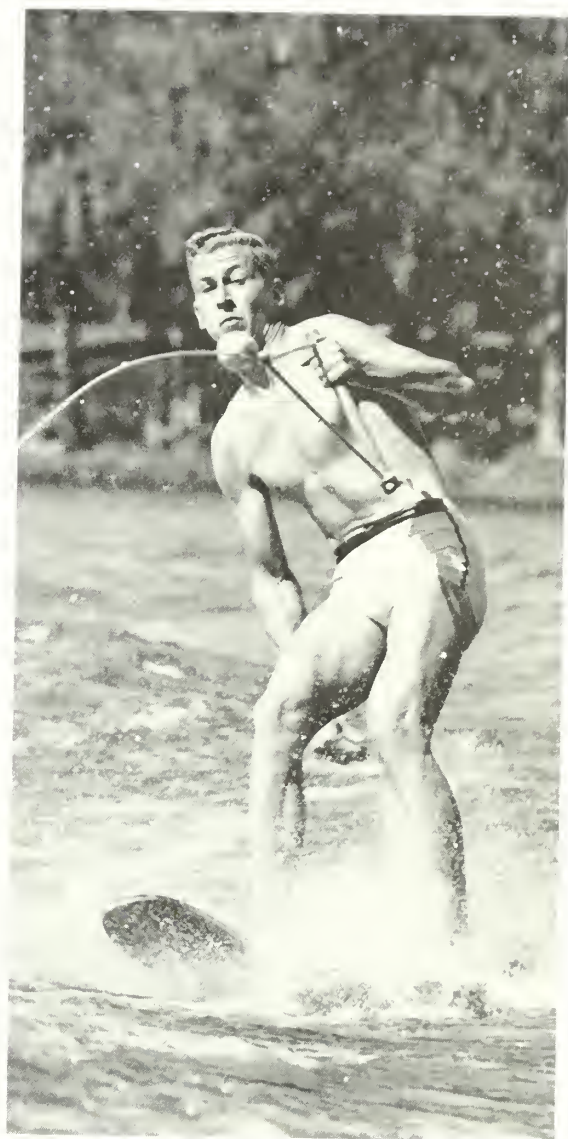

Sharon Seigener

Water Sports

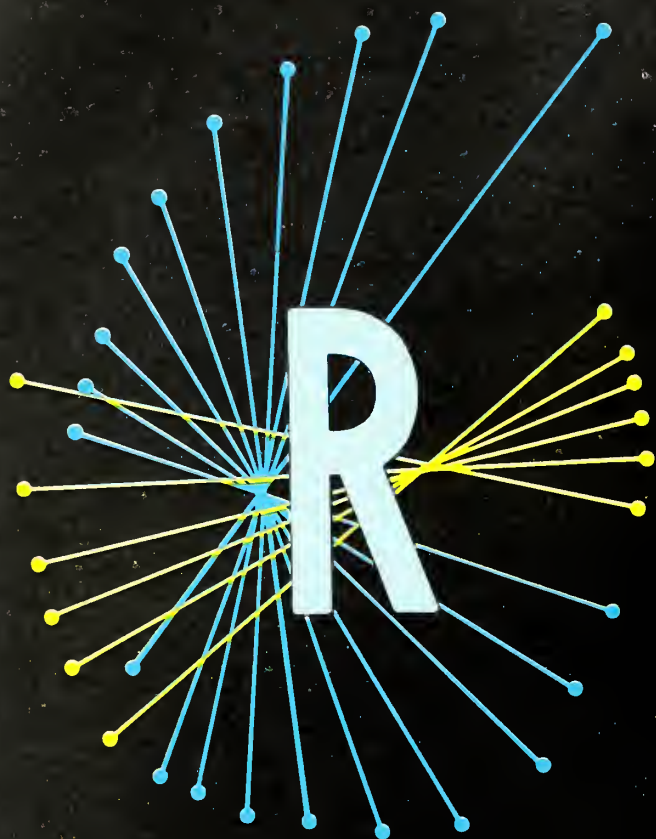

As much a part of Rollins as the fictitious "Underwater Basketweaving 208," the waterfront activities are everpresent, luring, and enjoyed. Swimming, diving, skin-diving, scuba-diving, water skiing, sailing, or just plain sun bathing eventually lead nearly all of us to the waterfront and to King Neptune himself, Fleet Peoples.

Opening Minds—

Minds which sometimes wander

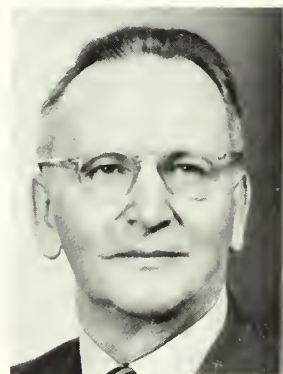

And yet, with careful understanding and patience

The Faculty guides us into new realms of knowledge—

New worlds unfold—New ideas explored;

We sometimes question the importance of the Search,

Only to say at the end, "Yes, it was worth it!"
